rar You don't have the required permissions to view the files attached to this post. Attached is the picture of the PSP with firmware updater tool and i have a link that gives you manual guide on how to extract firmware from PSP 11.35, now if you think that you can use the same guide to update this PSP with firmware updater then you are mistaken since i will not do it to myself. This is a brand new version of PSP and you may get the weird bug that even if you enter the right code to upgrade this PSP, it still give error code and asking you to enter wrong code. I have this PSP with firmware 11.35 and what i know about it is that firmware 11.35 is released by PSP MANUFACTURE in 2011. Now since i have the PSP 11.35 with me, i can not update it to any other firmware as there will be a chance that the game i have been playing will get deleted or you may get the weird bug that it may get deleted. You can try with the firmware 11.35 and see if you can get into PSX or not if you can't then just give me the manual guide to update the PSP. We can even use usb flash drive to copy the firmware 11.35 but i have problem with the usb flash drive. I have this one flash drive that has now been long enough to collect many data and in the same time when i need to use it, it have error. To update this PSP to firmware 11.35, you need to use a program called PSP Updater tool that will be installed in your PC. The PSP Updater tool will take the original PSP firmware, extract it from the.rar file and then update the firmware.[The neuroprotective effect of the combination of ganglioside and alpha2-macroglobulin on rat brain following subarachnoid hemorrhage]. To evaluate the neuroprotective effect of a combination of ganglioside and alpha2-macroglobulin (alpha2-M) on rat brain following subarachnoid hemorrhage (SAH). The model of SAH was established in rats by injection of 0.2 ml fresh arterial blood into the cisterna magna. The alpha2-M and the ganglioside were injected into the rats immediately after SAH. The number of surviving cortical neurons, dendritic spines, and astrocy 82157476af
